To Judge Burton Lifland.

I am writing in response to the latest motion of the Jeffrey Picower estate's offering to the trustee Irving Picard on behalf of the Madoff Victims recovery... I am desperately discouraged how this has transformed. I am an investor + have been defrauded of my lifesavings... My money was invested with a firm here in Boulder Colorado who invested with a firm that invested our portfolios with Madoff... We are being told that because we are indirect investors that we have NO RIGHTS to our money

This is WRONG, UNJUST, UNFAIR  
+ illogical... I implore you to please  
take This money + have it held in trust  
for ALL investors not just the  
legally defined direct investors... We  
are real people with real lives +  
real rights to an equitable recovery  
of our hard earned monies... Please  
take This letter as a formal request  
to put a hold on This money + distribute  
it fairly + equitably amongst all of  
The investors... This was Mrs Picowers  
request to return The monies to The  
people That lost... It is my understanding  
That over 16,000 claims were filed  
as investors asking to be refunded or  
assisted by SIPC and only <sup>a little</sup> over 2,000  
were granted This "privilege" That is  
only 14% or less of victims being

Compensated... I understand This is a  
Complex Case but PLEASE if you can  
find it in your heart + within your  
professional stature to please do what  
is not only right but to uphold the  
request of Mrs. Power...

Thank You So much -
